PROFESSIONAL SUMMARY

Full-Stack Software Developer specializing in **MERN Stack**, with strong experience building scalable and responsive applications. Skilled in designing REST APIs, implementing authentication, managing databases, and building intuitive user interfaces. Applies a background in administrative systems to enhance digital workflow automation, data accuracy, and software documentation. Passionate about collaborative problem-solving, clean code architecture, and continuous learning.

TECHNICAL SKILLS

Front-End: React.js, Redux, HTML5, CSS3, TailwindCSS

Back-End: Node.js, Express.js, REST APIs

Database: MongoDB, Mongoose

Tools & Platforms: Git, GitHub, Postman, Vercel, Render

Core Competencies: JWT Authentication, CRUD Operations, Responsive UI, Debugging, Deployment

PROJECTS

🍽️ Recipe Finder App

Built a responsive web application to search and display recipes using **HTML, CSS, and JavaScript**.

- Integrated external recipe APIs to fetch and display results dynamically based on user searches.
- Implemented responsive design for seamless usability across devices.
- Managed DOM updates and event handling to create an interactive user experience.

Tech Stack: HTML, CSS, JavaScript, REST API

🛍️ E-Commerce Toy Store — MERN + JWT Authentication

- Developed a secure toy store application with **full CRUD operations** and admin features.
- Implemented protected APIs, route guards, user roles, and secure authentication using **JWT & bcrypt**.
- Designed cart logic, order flow, and MongoDB schema with validations.

Tech Stack: React, Redux, Node.js, Express.js, MongoDB, JWT, REST APIs

PROFESSIONAL EXPERIENCE

Administrator / Bursar — Lagos, Nigeria

Ideal Comprehensive High School | May 2021 – Dec 2024

- Digitized student and finance records, improving accuracy by **30%**.
- Implemented digital reporting tools reducing manual documentation time by **40%**.
- Collaborated on transition to digital record systems enhancing workflow efficiency.

Teaching Personnel — Lagos, Nigeria

Supreme Wisdom School / Agidingbi Senior Secondary | 2014 – 2019

- Integrated digital learning tools into lesson delivery improving student engagement.
- Assisted with performance tracking using structured digital records.
